# Independent Auditors' Report on the Summary Financial Statements

To the Shareholders of UCom LLC

#### **Opinion**

The summary consolidated financial statements, which comprise the summary consolidated statement of financial position as at 31 December 2018, the summary consolidated statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and the related note, are derived from the audited consolidated financial statements of UCom LLC (the "Company") and its subsidiaries (the "Group"), for the year ended 31 December 2018.

In our opinion, the accompanying summary consolidated financial statements are consistent, in all material respects, with the audited consolidated financial statements, on the basis described in Note 1.

#### Summary Consolidated Financial Statements

The summary consolidated financial statements do not contain all the disclosures required by International Financial Reporting Standards. Reading the summary consolidated financial statements and our report thereon, therefore, is not a substitute for reading the audited consolidated financial statements and our report thereon.

#### The Audited Consolidated Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited consolidated financial statements in our report dated 1 July 2019, which also includes key audit matters. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period.

# Management's Responsibility for the Summary Consolidated Financial Statements

Management is responsible for the preparation of the summary consolidated financial statements on the basis described in Note 1.
